

Flying Arrow Saddle Club

August 2010

Congratulations to our queens for a great performance at the Iowa State Fair Cowgirl Queen Competition. The new arena was very nice and fun to watch all the competitors show. Good job and thank you for representing Flying Arrow!

Congratulations Randi Karns & Sierra McCullough on a job well done!

60....60....WE'RE TURNING 60!!!!!!

In appreciation of Flying Arrow Saddle Club accomplishing our 60th year, we will have t-shirts available for purchase at the September show for \$15.00 in tie-dye or Vegas gold colors. Be sure to get yours!!

Also in celebration, the banquet this year will be extra special so you won't want to miss it!!! Be ready for a great awards/year-end banquet again in Pleasant Hill at the Banquet Hall of Shining Stars Child Development. Mark your calendars for November 19, 2010; doors open at 6:00pm and dinner service begins at 6:30pm. We hope to see you all there. If there are certain things that you have in mind for auction items that you would just "love" to see be an option to bid on, email us and give us your ideas. Also, if you have anything that you wish to put up as an auction item, please let us know.

The August show was a great turnout! Thanks to all who showed with us! Please mark it in your calendar to attend the September 4th show, which is double judged, and also the October 2nd show, which is a rain date for the June show that was cancelled. The October show is single judged. Thanks to all who helped us out at each show with volunteering. Without all of you, the shows could not run smoothly. The show season is near its end with only two shows remaining. Now is the time to make sure you have your volunteer hours completed.

Please let us know of any information that should be included in our newsletters.

Trail will continue to follow Class #42 (Western Horsemanship 12 & Under). We have decided to try this system out to see if it helps to trim some time off of the shows and also ease the stress of getting trail done at a fast pace. Please do not feel rushed from trail to games. We appreciate all exhibitors working with us and want each exhibitor to enjoy their trail class and also the games that follow.

We had a new photographer at our July and August shows. Her name is Kelly Fourez. Check out all of the great photos that were taken by viewing them on her website at www.4adigital.com. Most of the July pictures are listed under Flying Arrow Saddle Club, but be sure to look for more of July pictures and the August pictures under "Sports" and then "Equine".

Please discuss any questions or concerns you may have with any board member available at the shows. We want your feedback and/or suggestions!!! You may also email any items to discuss to toshia@banklegacy.com if that is more convenient. All topics of concerns are brought to the attention of the board members at our meetings.
