

FASC Celebrates Our 60th Anniversary

Flying Arrow Saddle Club was established in 1950 and this year, 2010, FASC is celebrating 60 years!! We would like to thank all of you for being a part of our club and helping us continue our ability to help people and their horses grow while bringing family and friends together at the same time. Thank you to all who were able to make it to the July show. The weather was beautiful and our first double judged show had a wonderful turnout of contestants and horses. We had 20 new members join our club this month, 15 family memberships and 5 single memberships!! Thanks to all of you. As new members, please be sure to review the FASC rule book of the requirements to be eligible for year-end awards. Due to the Iowa rainy weather beforehand, we had to revamp the parking. We know that it was a change, but the show must go on. We now have alternate parking if the regular parking is unavailable. We know it's not the most convenient, but at least we can still have a show. We know how hard all of you work at getting your horses and yourself ready and we hate to "rain" on your parade, so to speak.

We appreciate the patience and flexibility of everyone.

FASC T-shirts

We are designing special shirts to recognize our 60th Anniversary. You will have the option to purchase either a shirt in tye-dye or Vegas gold. Color options will be available to view at the August show at the entry booth. Cost of each shirt will be \$15 and customers will have to pre-pay for the shirt before we can place the order. We would like to place the order immediately after the show, so if interested, please be sure to check out the information, fill out an order form, and pay for your shirt.

Please see any board member with questions.

October Show – Rain Date

The **October 2nd** show will be a Rain Date since the June show was cancelled. Please be sure to mark this on your calendar because it will count towards year end points. Our judge for the show will be Kris Heschke-Fleener. This will be a single judge show. Entry forms can be found on the FASC website at www.flyingarrowsaddleclub.org or at www.cowboycalendar.com. Print off your entry forms before the show and it will save you time. All classes must have a yellow entry card to match the classes marked on the entry form so make sure you fill those out before handing in your completed forms/cards to the entry booth. You can take extra yellow entry cards home with you if you wish to have them ready when you arrive at the remaining shows this season. All payments must be made at the time you turn in your forms. FASC does not allow open/blank checks at the shows.

State Fair Queen Contest

Is everyone ready for the Iowa State Fair?? I'm sure our Queen Contestants are!!!! The fair starts August 12th and runs through August 22nd. Remember to support our contestants Friday, August 13th by cheering them on when they make their appearance representing FASC while trying to win the crown and title of the Iowa State Fair Senior and Junior Queen. We wish Randi Karns and Sierra McCullough all of the best!

BEST OF LUCK!

2010 FASC Banquet

We are a little more than three months away from our Flying Arrow Saddle Club Annual Banquet. Mark it in your calendars, November 19th, 2010. Doors open at 6:00 pm with dinner starting at 6:30 pm. We will have our banquet at the same location as last year, Shining Stars Child Development in Pleasant Hill with Great Caterers catering our meal. We had such a great turnout last year and hope to top that number this year. Reservation forms will be sent out in the mail in October.

We look forward to seeing you there!

Memories.... Sweet Memories

We would like to invite anyone who has any “old time photos” or stories of being a part of Flying Arrow Saddle Club to share those with us. We would love to have some memories of the past.

Please send any photos or stories to toshia@banklegacy.com.

Volunteer Help & Member Hours

We were a little short handed with member help at our July show. We would like to thank everyone who took time out of their day to help out and to help get their required hours in. We want to remind everyone about the required hours for memberships, four hours for single and six hours for family.

When we have volunteers helping out, it makes the show run smoother and faster. We as board members try to help out as much as we can. Every little bit of volunteering that is recorded in the volunteer log book is calculated to make sure you have enough hours in to be eligible for year-end awards. The most help is needed in the mornings to get the show going and also for trail class. We need a lot of help setting up and taking down trail, especially lifting the heavy objects. Please take a little time out of your day to help out at the shows. Our club is based on our members and volunteering time so let's make sure we make it for another 60 years.
